

Say It Right

Nelly Furtado

In the day, in the night
Say it right, say it all
You either got it or you don't
You either stand or you fall

When your will is broken
When it slips from your hands
When there's no time for joking
There's a hole in the plan

Oh, you don't mean nothing at all to me
No, you don't mean nothing at all to me
Oh, you've got what it takes to set me free
Oh, you could mean everything to me

I can't say that I'm not lost and found
I can't say that I don't love the light and the dark
I can't that I don't know that I am alive
And all of what I feel I could show you tonight

Oh, you don't mean nothing at all to me
No, you don't mean nothing at all to me
Oh, you've got what it takes to set me free
Oh, you could mean everything to me

From my hands I can give you, something that I made
From my mouth I can sing you another brick that I laid
From my body I can show you a place, God knows
If you know this place is holy, do you really want to go?
