

# Wait for You

Nelly Furtado

I know you're trying to get around me baby  
I know you've got me in your heart baby  
I know that you could love me  
If you only had a guarantee  
When I look at your face it's so empty  
I know I could fill you with love baby  
Your soul is dying for me  
Can't deny our energy

And you're far I'm near you're there  
I'm here you're hurting for me  
I can see it in your eyes  
Some of the hardest things  
Are easy to achieve with patience

I'll wait for you until the heavens fall  
I'll wait for you until the end of the world  
I'll wait for you until I no longer breathe  
I know that's it's not impossible  
I'll wait for you until you finish your fight  
I'll wait for you until the timing is right  
I'll wait for you until you knock on my door  
Cuz right now it's feeling just like a movie yeah yeah.....just  
like a movie

I know that this is hard for you  
Want you to know that I'm feeling it too  
It's taken some time but now I see everything  
It's so clear to me I can't give up your love without dying baby  
I'll wait until the sea is dry baby  
How do we know what love is  
Until it is free

You don't gotta do anything that you can't do  
You don't gotta do anything in a hurry  
You don't gotta do anything that you can't do  
I know you're there you got me  
You don't gotta do anything that you can't do  
You don't gotta do anything in a hurry  
You don't gotta do anything so don't worry  
I trust you and I know you're there  
I know you're there
