Nelly

The way that you're walkin, the way that you're talkin - talkin  
You're the one I wanna spend this night with  
Tryna get in them drawers and bang it out 'til the mornin - the mornin  
(Ahhhhhhh) I can already tell you want it  
Cause you're shakin it all for me, givin it all to me  
Rubbin that (body on me)  
Keep on shakin it all for me, givin it all to me  
Rubbin that (body on me)

Go tell your friends bye-bye, and let's go hop a plane  
It's no mistaken, the attraction's ironic  
I wanna make you someone more than just a bone in my closet  
I wanna win that, type of relationship  
Where you gon' wanna come hang when your man done tripped  
You say you short this month, and you're late on your rent  
He took your car, what you mean? Hold this  
Yea-yayyy, sing, whoahhhh
