

# Chill

Nelly

Yo, what you tell a muh'fucker with two black eyes?  
Nothin, you done already told his punk-ass twice

D, E, R, R, T, Y (we back, we back, we back)  
We all we got, yo, know I want y'all do?  
Yo..

Aiyyo stand at attention, raise your right arm, salute  
Roll the carpet out, watch all the Bloods "woot-woot"  
Watch the Crips loc' it up, we back, we got our focus up  
St. Lunatics, nigga know that, know that  
Supreme team, if we lose you open your minds  
Start readin some things, we got it, holla at us, c'mon  
Easy with that murder murder murder, kill kill  
We did that back when I was born, Bill Bill  
But I still do the knowledge, let me give you the math  
I rock a 7-and-a-half for my 7-and-a-half  
I be with Moses and Kane & Abel puttin in work  
I slap a nun, beat the reverend up, spit in his church  
My Derrty niggaz come through, we turn the heat up in June  
We at the party mackin, even throw a bitch in the room  
Menage-a-trois, Murph' is {?}, me and Law  
Cause we the baddest muh'fuckers that you seen thus far, so

Nigga chill (chill) calm down (calm down)  
Watch your words (watch your words) don't let your mouth get ahead of ya  
You really talkin wreckless right now (right now)  
And we know you ain't built for that (nope)  
(2x)

Look, learn, listen, check it  
Start your cars up, trick your broads out  
Pump your hard up, homie now put your guard up  
You throw that one-two but, look how I jab you  
No need you run in the derrty, homie I had to  
You was doin a lot of talkin (yup) a lot of barkin  
But your bite was nothin, guess you mighta been frontin  
Yo ain't no mic to it, City see right through it  
I was born to be the shit like I was Mike Hewitt{?}  
Don't, test me though, homie I might do it  
Check my track record, the feelin go right to it  
It was easy for me, I was born to win  
You was born to hate me, you should be born again  
You with Mike and Kevin, we with Law and them  
You cop American cars, we cop foreign 'em  
Take a look at us derrty, we put the star in them  
No slow stray bullets nigga, we Brett Favre'n them

You gots to chill, and let your conscience be free  
Lil' boy, obviously y'all ain't fuckin with Ky'  
You see I stays real high, but I be's low-key  
I'm so allergic to the line e'rybody know me  
You know what? (What?) Why shouldn't y'all hate?  
Cause y'all so half decent, we Frosted Flakes great  
And these ain't came out yet, I know y'all so late  
I smoke zips, you pop 8's, damn what a waste  
My lady is so happy, yours masturbates

You wash up in a sink, nigga I bathe in a lake  
The way y'all copy our style ASCAP should make y'all pay  
But they don't, so I'ma smoke a joint and get to the point  
The muh'fuckin point is keep my name out your mouth  
Unless you sayin how we repped the Lou, since we came out  
We've been winners since we came out, yo' mouth keep my name out  
You don't wanna see thirty cardinal birds with they thangs out

Nigga chill (chill) calm down (calm down)  
Watch your words (watch your words) don't let your mouth get ahead of ya  
You really talkin wreckless right now (right now)  
And we know you ain't built for that (nope)

Murphy Lee God-body (like) take shit from nobody (nope)  
Nelly bought it for me so that's my Maserati (yup)  
Y'all know about me, I'm so far from sloppy (dirty)  
You not a female nigga, so how can you top me?  
My style can't be copied people trust me (trust me)  
Even though you look like me, your flow musty (musty)  
That means you stinkin, what you think's extinct  
Been gone too long to even dig up the bones  
I'm on my new-new, upgrade the kush from the doo-doo  
That's a big step, but that's how niggaz from the Lou do  
Last rap was too cool, but this one is too damn hot  
You wack rappers think you hot when you not (this is why I'm hot)  
All this I talk slick shit as if you really did shit  
Thinkin you deserve my spot, well thurr it is then  
Gave niggaz time but now I'm back with a few of my friends  
Lunatics 'bout to do this again, ohh

Nigga chill (chill) calm down (calm down)  
Watch your words (watch your words) don't let your mouth get ahead of ya  
You really talkin wreckless right now (right now)  
And we know you ain't built for that (nope)

Uh, tell you somethin...  
You should see their faces when I walk in the facility  
Mean mug, what's the purpose of you ice-grillin me?  
You're killin me but really B, you ain't on my radar  
Always used the right amount of strokes, that's why I stayed par  
I ain't no killer lil' silly nigga but they are  
You got the same ride as me but that's just my day car  
My decor, might be Levi's and a A-R  
15 G's in my pocket just to play cards  
So meet me in the casino, way in the back  
Me and her fleein the scene, away in the 'Llac  
She say she feelin her bean, a green of a stack  
She say she like it obscene, I'm way in the knack{?}  
In fact, you niggaz ain't like me, you salty (nah)  
Me, I'm like pepper cause I spice shit up  
The Flavor Flav of the game cause I hype shit up  
Might call my hundred watt niggaz in to light shit up  
You better chill

Nigga chill (chill) calm down (calm down)  
Watch your words (watch your words) don't let your mouth get ahead of ya  
You really talkin wreckless right now (right now)  
And we know you ain't built for that (nope)
