

Dilemma

Nelly

I love you, and I need you
Nelly, I love you, I do need you but

No matter what I do, all I think about is you
Even when I'm with my boo, boy y'know you know I'm crazy over you
No matter what I do, all I think about is you
Even when I'm with my boo, y'know I'm crazy over you

Check it, check it, check it, uhh
I met this chick and she just moved right up the block from me
And uhh, she got the hots for me the finest thing my hood done seen
But oh no, oh no, she gotta a man
And a son, doh'ohhh, but that's okay
'Cos I, wait for my cue and just listen, play my position
Like a shortstop, pick up e'rything mami hittin
And in no time (no time) I
I plan to make this one here mine and that's for sure
'Cos I, I never been the type to, break up a happy home
But uh, there's somethin 'bout baby girl I just can't leave alone
So tell me ma what's it gonna be? She said
(You don't know what you mean to me) C'mon

No matter what I do, all I think about is you
Even when I'm with my boo, boy y'know you know I'm crazy over you
No matter what I do, all I think about is you
Even when I'm with my boo, y'know I'm crazy over you

Check it, check it, check it, uhh
I see a lot in your look and I never say a word
I know how niggaz start actin trippin' out here about they girls
And there's no way hey, Nelly gon' fight over
(I ain't fightin over no dame) no dame as you can see
But I, I like your steez, your style, your whole demeanor
The way you come through and holla and swoop me in his 2-seater
Now that's gangsta
And I got special ways to thank ya don't you forget it
But uh, it ain't that easy for you to pack and leave him
But uh, you and dirty got ties for different reasons
I respect that and right before I turn to leave, she said she said
(You don't know what you mean to me) she said she said, c'mon

No matter what I do, all I think about is you
Even when I'm with my boo, boy y'know you know I'm crazy over you
No matter what I do, all I think about is you
Even when I'm with my boo, y'know I'm crazy over you

Sing it for me Kelly

I love you and I need you
Nelly I love you, I do (c'mon girl)
And it's more than you'll ever know
Boy it's for sure
You can always count on my love
Forever more, yeah yeah
