Drop down and get your eagle on, girl (flap your wings)  
Drop down and get your eagle on, girl (flap your wings)  
Drop down and get your eagle on, girl (flap your wings)  
Hell naw, ain't leavin' me alone, girl (flap your wings)  
Drop down and get your eagle on, girl  
She's got that sweat drippin' all over her body  
Do you like that sweat drippin' all over my body?  
Yea, I like that  
That sweat drippin' all over your body  
You like that sweat drippin' all over my body

It's summertime, and I'm back again  
And went to VA, oh, got my friends  
Say what's up, Pharrell  
Look whats on the nail  
Yeah but, let's show 'em what's above the nail, Bling  
A hundred thou couldn't get you one of these (Not one of these)  
I guarantee it ain't a flaw on one of these (One of these)  
Two hundred thou, couldn't get you in the league  
Get three hundred thou, you couldn't even buy the keys  
I think you need to add 50 more G's  
Now, shall I proceed?  
Yes, indeed (Ho)  
I need to see you take it down to the floor  
Spread your wings, if you real, ma, fly real low  
Pause for a second ma, grind real slow  
And if you do it right  
All day we'll go (Ho)  
I talk a lil' Fred Seigal girl (Seigal, girl)  
Bonnie and Judy Lee with your bag all beaded, girl  
Apple bottom pair underneath it  
You talkin' like you don't need it  
I can tell you concieted  
I like that in you  
I don't see nothin wrong  
Drop down and get your eagle on (Whoa)

Now, what's next to trenscond up in this party  
OPP time, now let's get naughty  
You take babygirl, and I'ma take shorty  
With the sweat drippin' all over her body  
We gone move if you wanna (Oh)  
Groove if you wanna (Oh)  
Throw your nose up, ma, and get rude if you wanna  
Ain't got nothin' to lose, nor to prove  
Babygirl soaked like she just got out of the pool (Eh)  
I know you're thirsty, ma  
Go ahead and order whatchu want  
Some call it trickin', go ahead and call it whatchu want  
I came to ball, I ain't come out here to front  
Cause the black card will the pick-up with the gray card won't  
Attractiveness  
Got me attackin' this  
I'm so fabulous

Glutious maximus  
She wanna fly south for the winter (For the winter)  
I might just go down south just to win her (Just to win her)  
Hell naw, she ain't gone leave me alone  
Makin' plans for us to be at home  
Take your pants off, ma, you can leave your panties on  
But, first drop down and get your eagle on (Oh)
