

# Move That Body

Nelly

Move that body  
Work that body girl  
Twist that body  
Shake it shorty

Move that body like  
Work that body girl like  
Twist that body like  
Shake it shorty

Oh my man stand up  
See you gotta bug on put your hands up  
See you got a boyfriend shody dam what  
Ass so big brotha pull your pants up  
Well I got some footie rosey bootie  
Hands in the air put your bootie where the floor at  
You should know dat  
Anywhere move it  
Pause for the picture shawty we should take a Kodak

Cause you got some mean on  
I like your brand with them jeans on  
And then your hoe click back and you team strong  
I know your ex want you back till em dream on

Shawty wanna show me how your body gonna work  
I like all that seduction  
She got a little closer over and over  
Shakin that butt thin  
I got somethin I gotta show her what somethin  
But if she wanna rock with a player  
She gonna have to follow my instruction

Whooooa  
Ain't no gravitational dis is my position  
You listen and pay attention  
You be feeling the same  
21 and older  
You shakin cause you wanna  
Nobody to tell you no  
So you be feeling no shame  
Now gone shake your ass  
Make your boyfriend mad uh huh  
Shake your ass  
Make your boyfriend mad uh huh  
Give you somethin you probably ain't never had

I bet you baby that he can't do dat

Killer killer for reala  
I got what ever you like  
He give it to you wrong  
I give it to you right  
He gonna give it for a second  
Ima give it all night  
He just do it just to do it  
I just do it like Mike

Whooooa  
Ain't nothing like watching you rock for me  
Go ahead girl and just drop for me  
While I just sit back  
And just admire that  
Hoping that you don't plan to stoppin me  
Well about a hundred thous of stacks in me  
Well I know you like that  
But I also like it when you

Move that body  
Work that body girl  
Twist that body
