

# My Place

Nelly

I used to pride myself on being the other man  
But now its flipped and I dont want u with no other man  
Why cant u understand that anything Im offering  
I gave u the world but u just wanted arguing  
From the time I picked u up,until the time I dropped u off again  
Even flipped out on me at the mall again  
"Its all his fault again"thats what u tellin all ya friends  
I aint pointin fingers ma,I just wanna call again  
See how ya day goin,I know they stressin on ya  
I know them times get hard,thats why I'm checkin on ya  
It's yours truly ma,I got a little message for ya  
Anything he can do,girl I can do it betta for ya,cause

When we laugh or we cry,its together  
Through the rain and the stormiest weather  
We gon still be as one its foreva,its foreva

Wont you come on and go with me(come and go with me bab-y) (ooo girl)  
come on ova to my place(my place) (my place) (ooo naw)  
Wont u sit ya self down and take a seat  
And let me ease your mind girl  
We gon do it our way(ooo naw) (aww yeah)

I heard your friend told a friend that told a friend of mine  
That u was thinkin that we should do it one more time  
If this aint the truth,then hopefully its not a lie  
Cause I aint got no issues with hittin that another time  
We never had a problem gettin it done  
Disagreed upon alot ma,but the sex wasnt one  
And check it,I know u get excited(still)when I come round and bite it(girl)  
Quit frownin up and quit actin like u dont like it

I like it,I like it,I really,really like it  
I want it,adore it,so come let me enjoy it

When we laugh or we cry,its together  
Throught the rain and the stormiest weather  
We gon still be as one its foreva,its foreva

Wont u come on and go with me(come and go with me bab-y) (ooo girl)  
Come on ova to my place(my place) (my place) (ooo naw)

And let me ease your ming girl  
We gon do it our way(ooo naw)

Shawty where ya been(girl where ya been)  
Feels like a long time,long,long time since I seen ya  
Yes it has girl,when I know I said some f\*cked up things to u before  
But girl u know I didnt mean it  
(I didnt mean one single word)  
(I neva meant one single word)  
If I could take back every word I would and more fo sho  
If I thought that you believe it(would u believe it?)  
(Hey girl)cause u make my life so convenient for me

When we laugh ir we cry,its together

Through the rain and the stormiest weather  
We gon still be as one its foreva,its foreva
