

Not In My House

Nelly

St. Louis!
Stomp stomp stomp stomp
This house belongs to who

Not in my house
You might catch me on the road
But not in my house
It won't happen oh no (oh no, oh no, oh no, oh no)
Not in my house (check me out)
You might catch me on the road
But not in my house
It won't happen oh no (oh no, oh no, oh no, oh no)

Check it, check it
Now we've come along way ay (hear me out)
And I know you want to go some more oh
The only thing keeping you from completing your mission dirty
Is making it past my door
See I'd hate to be the bearer of bad news
But I simply gotta tell ya I refuse to lose
To continue how you want to disrespect ?
But it ain't going down hell nah dirty

Not in my house
You might catch me on the road
But not in my house
It won't happen oh no (oh no, oh no, oh no, oh no)
Not in my house (check me out)
You might catch me on the road
But not in my house
It won't happen oh no (oh no, oh no, oh no, oh no)

Check it, check it
I dropped my mug in the dirt done, you done crossed this line
Me losing tonight, ain't even cross my mind
This my house, and I'm a defend it crush you if need be
Leaving you as an example for other teams to see
Then it be, two strikes, two outs, no lights
Fourth down, fourth quarter, looking at a baby order
Fourth period, minute left, down ten, hold ya breath
Pick and roll, back door, game over, told ya so

Not in my house
You might catch me on the road
But not in my house
It won't happen oh no (oh no, oh no, oh no, oh no)
Not in my house (check me out)
You might catch me on the road
But not in my house
It won't happen oh no (oh no, oh no, oh no, oh no)

Not in my house (4x)
