

Over and Over

Nelly

cuz it's all in my head i think about it
over and over again and i can't keep
picturin' you with him
and it hurts so bad

yeah
cuz it's all in my head i think about it
over and over again i replay it
over and over again and
I can't take it (yeah) i can't shake it no

i can't wait to see you wanna
see if you still got that look in your eyes
that one you had for me
be-fore we said our goodbyes

and is a shame that we gotta
spend our time being mad about the same thing
over and over again (about the same thing)
over and over again

oh but i think she's leaving
oh man she's leavin
i don't know what else to do
i can't go on not lovin you

i remember the day you left
i remember the last breath you took right in front of me
when you said that you would leave i was
to damn stubborn to try and stop you or say anything

but i see clearly now and this
choice i made keeps playin in my head
over and over again (playin in my head)
over and over again

oh but i think she's leaving
oh man she's leavin
i don't know what else to do
i can't go on not lovin you

now that i've realized
that i'm goin
down
from all this pain you put me through

everytime i close my eyes
i lock it down
oh...
i can't go on not loving you

over and over again
over and over again
cuz' its all in my head
