

# Love And Affection

Nelson

Here she comes, mm, just like an angel.  
Seems like forever that she's been on my mind.  
Nothing has changed, she thinks I'm a waste of her time.

There she goes.  
No, she don't know what she's missing.  
Can't she see I'll never give up the fight.  
I'll do all I can.  
She understands my desire.

I've been on the outside looking in.  
Let me into your heart.  
Oh. There's nothing on earth that should keep us apart.  
Baby, I can't live without your love and affection.  
I can't face another night on my own.  
I'd give up my pride to save me from being alone,  
'cause I can't live without your love.  
Oo your love.

So I wait, mm, here for an answer.  
Wonder if tomorrow will be like this today.  
I keep holding on, can't go on living this way, baby.

I've been on the outside looking in.  
Bring my tears to an end, oh.  
I realize it's no use for me to pretend.  
Oh, yeah. I can't live without your love and affection.  
I can't face another night on my own.  
I'd give up my pride to save me from being alone,  
'cause I can't live without your love.

With your love, I put my arms around you.  
Can't find the words to tell you that I can't live without your love.  
I can't live without your love and affection.  
I can't face another night on my own.  
I'd give up my pride to save me from being alone.  
Baby, I can't live without your love and affection.  
I just can't go on this way any more.  
As hard as I try there's one thing that I know for sure.  
I can't live without your love.

There she goes.  
I can't live without your love, baby.  
There she goes.  
I can't live without your love, baby.  
There she goes.  
I can't live without your love, baby.
