

# Love Me Today

Nelson

Looking back on a girl I knew  
Whose smile and laughter carried me through  
Oh, the way that I felt when she looked at me that way

When I heard she was gone I had no one to hold  
I wept as I felt my heart growin' cold  
Like Poppa she taught me there's no time like today  
But I hear her saying

Love me today, and let my strength be your own  
Love me today, 'cause tomorrow I'll be gone  
When I feel it's time to go, I'll be on my way  
So love me today

I remember a time back when  
Poppa would laugh as I held his hand  
And just one embrace would make my troubles pass

I thought those times would never end  
The day that he left he smiled and he said  
I'll be home soon but Poppa never came back  
I hear him saying

Love me today, and let my strength be your own  
Love me today, 'cause tomorrow I'll be gone  
When I feel it's time to go, I'll be on my way  
So love me today

Don't be afraid to say, "I love you"  
Take the moment and make it last  
? Cause if you don't tell them you love them  
You might not get a second chance, no  
So hear them saying

Love me today, and let my strength be your own  
Love me today, 'cause tomorrow I'll be gone  
When I feel it's time to go, I'll be on my way  
So love me today, love me today, oh, ooh
