

Lucifer

Nemesea

'You bred a cesspit of iniquity
(by being malicious)
Don't come too close
'cause your anger is vicious'

Slowly you will fade away
when you're deserted (by your mind)
You cannot be when I am
'cause I'm the stronger kind

Look at the cerulean glow
(the colour of the soul and protection)
It is no use for you to seek
(You'll only find rejection)

'To redeem us from your devilry
You have to swoon
You cannot emulate me
so you will fade away soon'

You cannot be when I am
'cause I'm the stronger kind
