Anyplace, Anywhere, Anytime

Nena

Like a hammer on a drum
Like footprints in the sand
From the moment we are born
There's an imprint on your hand

Wrap your fingers 'round my neck You don't speak my dialect But our images reflect Drawn together by the flame We are just the same Embrace the wind and fall into Another time and space

If we belong to each other, we belong Anyplace anywhere anytime I'm going to any world you're coming from Anyplace anywhere anytime

Another story, time and age You were a pirate from the sea Words sail across the page Crash like thunder suddenly

Bits and pieces from your storm
Rain upon me as they form
Melt into my skin and I feel warm
Sweep upon me like a wave
We are young and brave
Embrace the wind and float into
Another time and space

If we belong to each other, we belong
Anyplace anywhere anytime
I'm going to any world you're coming from
Anyplace anywhere anytime

If we belong to each other, we belong Anyplace anywhere anytime I'm going to any world you're coming from Anyplace anywhere anytime

If we belong to each other, we belong
Anyplace anywhere anytime
I'm going to any world you're coming from
Anyplace anywhere anytime
Anyplace anywhere anytime
Anyplace anywhere anytime

Anyplace anywhere anytime

Anyplace anywhere anytime
