

Fade Into You

Nena

I want to hold the hand inside you
I want to take a breath thats true
I look to you and I see nothing
I look to you to see the truth
You live your life
You go in shadows
Youll come apart and youll go black
Some kind of night into your darkness
Colors your eyes with whats not there.

Fade into you
Strange you never knew
Fade into you
I think its strange you never knew

A strangers light comes on slowly
A strangers heart without a home
You put your hands into your head
And then smiles cover your heart

Fade into you
Strange you never knew
Fade into you
I think its strange you never knew

Fade into you
Strange you never knew
Fade into you
I think its strange you never knew
I think its strange you never knew
