

Am I Dreaming

Neon Hitch

I woke up sleeping
Stars on my pillow
Jar full of secrets
That only I know

I don't want to stay
But I don't want to go
Take a snapshot inside my soul
I don't want to stay
But I don't want to go
Take a snapshot inside my soul

Am I dreaming?
I don't even know what's real
Crazy feeling
Is all I know how to feel

Oh, oh, oh
Oh, oh
Am I dreaming?
Cause I don't even know what's real

Oh, oh, oh, oh
Oh, oh
Am I dreaming?
Cause I don't even know what's real

I got some memories
I can't leave behind
Pictures of faces
I wish I could hide

I don't want to stay
But I don't want to go
Take a snapshot inside my soul
I don't want to stay
But I don't want to go
Take a snapshot inside my soul

Am I dreaming?
I don't even know what's real
Crazy feeling
Is all I know how to feel

Oh, oh, oh
Oh, oh
Am I dreaming?
Cause I don't even know what's real

Oh, oh, oh, oh
Oh, oh
Am I dreaming?
Cause I don't even know what's real

I woke up sleeping
Stars on my pillow
Jar full of secrets

That only I know

I don't want to stay
But I don't want to go
Take a snapshot inside my soul
I don't want to stay
But I don't want to go
Take a snapshot inside my soul

Am I dreaming?
I don't even know what's real
Crazy feeling
Is all I know how to feel

Oh, oh, oh, oh
Oh, oh
Am I dreaming?
Cause I don't even know what's real
