

Warner Blvd

Neon Hitch

No I'm not looking for trouble
Yeah, Yeah, Yeah
But we all got something to say, yeah
They feed us drugs to keep us in bubbles
Yeah, Yeah, Yeah
Let the silence protest today

So lay my naked body in warner blvd oh yeah
Can't you see I'm breathing
Do I have die to make you listen to me?

This is not a protest, protest this is not a protest sign
You can't put a label, label on what we deserve for so long
Tonight we burning down the block

No you can't keep us in the box
So don't try to put us on the shelf Oh, no labels
We need no labels
Bump pa da
Bump pa da
Bump pa da
No labels
Bump pa da
Bump pa da
Bump pa da
No labels

No I'm not even being a rebel
Yeah, Yeah, Yeah
Can't keep a lioness in a cage, no I may have
Sold my soul to the devil Yeah
But you sell legends to the grave

So lay my naked body in warner blvd oh yeah
Can't you see I'm breathing
Do I have die to make you listen to me?

This is not a protest, protest this is not a protest sign
You can't put a label, label on what we deserve for so long
Tonight we burning down the block

No you can't keep us in the box
So don't try to put us on the shelf Oh, no labels
We need no labels
Bump pa da
Bump pa da
