

## Yard Sale

Neon Hitch

Roll up, I'm having a yard sale with my old stuff  
I gotta get rid of this old love  
The self-destruction isn't guaranteed  
No money back, no money back  
I'm moving on, I'm not ain't second nothing  
Cleaning up too much troubles in the dust spin  
I serious up until love song is no no more

I'm having a yard sale, giving away all of the things  
I used to call my own  
I'm having a yard sale, giving away all of the memories that us  
ed to feel like home  
I gotta pack, I gotta pack all of these boxes, and I'm giving '  
em all away for free  
Guess I'm not person, there's a person that could you  
But that person is the only, yeah it's the only  
Yeah that's the only  
Person is the only  
Yeah that's the only

Close box  
I buried our pictures in the closed box  
You only let me with my clothes offw  
Well, I took your ring off my finger, middle finger  
Breather, look at it now  
I'm moving on, I'm not ain't second nothing  
Cleaning up too much troubles in the dust spin  
I serious up until love song is no no more

I'm having a yard sale, giving away all of the things  
I used to call my own  
I'm having a yard sale, giving away all of the memories that us

I gotta pack, I gotta pack all of these boxes, and I'm giving '
