

Sleepless In London

Neon Jungle

My ceiling fan, I know it well
I lie awake and think of you
Next time I'll say, say something cool
Wait for the day that you want me

Staring at, at my phone
Here in my bed
Wishing on all the words
I never said
I keep on typing you these messages
Knowing that, that I won't ever hit send, I'm

Sleepless in London, all I think about is you
My heart is breaking and I don't know what to do
Have you ever, ever felt like that?
When they're all that you want, and it hurts to bad

Sleepless in London, woah-ohohoh
Sleepless in London, woah-ohohoh

There's nothing that I wouldn't do
To make you feel the same way too
I gave my heart, gave it to you
But you won't give yours back to me

Staring at, at my phone
Here in my bed
Wishing on all the words
I never said
I keep on typing you these messages
Knowing that, that I won't ever hit send, I'm

Sleepless in London, all I think about is you
My heart is breaking and I don't know what to do
Have you ever, ever felt like that?
When they're all that you want, and it hurts so bad

Sleepless in London, woah-ohohoh
Sleepless in London, woah-ohohoh

You're in love, just not with me
A secret crush, a sad movie
And now you can feel me break
But if I hear you say my name
A heart that you can save

Sleepless in London, all I think about is you
My heart is breaking and I don't know what to do
Have you ever, ever felt like that?
When we're all that you want, and it hurts so bad

Sleepless in London, woah-ohohoh
Sleepless in London, woah-ohohoh

I can't sleep unless you're here with me
I'm sleepless
