

1983

Neon Trees

1. I've been here lookin' dynamite
Alone against the wall
Girls like you give it all so cold
Talkin' cheap in a bathroom stall
Look so smooth better tell me the truth
Would you trade me out for someone cool?
I know you better than you do so put out your cigarette
Kiss me on the lips tonight

R: Me and you, you and me
Let's go back
Let's go back
1983 is calling
I've been on my knees and crawlin'
Back to you
It's coming all back to me
1983

2. I've
Got something that I've kept inside
And the blood is on the blade
You're there suckin' on a lollipop
Like you haven't aged a day
And it ain't so pretty when you're playin' cute
When your
Body's up against some fool
Does he feel it
Cuz I feel it

R: Me and you...

The year I was born
I won't be ignored
So get your feet on the floor
I'm the only one are you afraid I still make you move
