

Everybody Talks

Neon Trees

1. Hey baby won't you look my way
I can be your new addiction
Hey baby what you gotta say?
All you're giving me is fiction
I'm a sorry sucker and this happens all the time
I found out that everybody talks
Everybody talks, everybody talks

R: It started with a whisper
And that was when I kissed her
And then she made my lips hurt
I could hear the chit chat
Take me to your love shack
Mamas always gotta back track
When everybody talks back

2. Hey honey you could be my drug
You could be my new prescription
Too much could be an overdose
All this trash talk make me itchin
Oh my mouth Yeah
Everybody talks, everybody talks
Everybody talks, too much

R: It started with a whisper...

*: Never thought I'd live
To see the day
When everybody's words got in the way

Hey sugar show me all your love
All you're giving me is friction
Hey sugar what you gotta say?

R: It started with a whisper...

Everybody talks
Everybody talks
Everybody talks
Everybody talks
Everybody talks
Everybody talks...back

It started with a whisper
And that was when I kissed her

Everybody talks
Everybody talks...back
