- 1. Hey baby won't you look my way
  I can be your new addiction
  Hey baby what you gotta say?
  All you're giving me is fiction
  I'm a sorry sucker and this happens all the time
  I found out that everybody talks
  Everybody talks, everybody talks
- R: It started with a whisper
  And that was when I kissed her
  And then she made my lips hurt
  I could hear the chit chat
  Take me to your love shack
  Mamas always gotta back track
  When everybody talks back
- 2. Hey honey you could be my drug You could be my new prescription Too much could be an overdose All this trash talk make me itchin Oh my mouth Yeah Everybody talks, everybody talks Everybody talks, too much
- R: It started with a whisper...
- \*: Never thought I'd live
  To see the day
  When everybody's words got in the way

Hey sugar show me all your love All you're giving me is friction Hey sugar what you gotta say?

R: It started with a whisper...

Everybody talks
Everybody talks
Everybody talks
Everybody talks
Everybody talks
Everybody talks...back

It started with a whisper And that was when I kissed her

Everybody talks...back
