

# Never Tear Us Apart

Neon Trees

Don't ask me what you know is true  
Don't have to tell you, I love your precious heart  
I, I was standing, you were there  
Two worlds collided and they could never tear us apart

We could live for a thousand years but if I hurt you, I'd make  
wine from your tears  
I told you that we could fly, 'cause we all have wings but some  
of us don't know why  
I was standing, you were there  
Two worlds collided and they could never ever tear us apart

I (Don't ask me), I was standing (What you know is true), you w  
ere there (Worlds collided)  
Two worlds collided (We're shining through) and they could neve  
r tear us apart  
You (Don't ask me), you were standing (What you know is true),  
I was there (Worlds collided)  
Two worlds collided (We're shining through) and they could neve  
r tear us apart  
I, I was standing, you were there, two worlds collided, and the  
y could never, ever, tear us apart.
