

Never Tear Us Apart

Neon Trees

Don't ask me what you know is true
Don't have to tell you, I love your precious heart
I, I was standing, you were there
Two worlds collided and they could never tear us apart

We could live for a thousand years but if I hurt you, I'd make
wine from your tears
I told you that we could fly, 'cause we all have wings but some
of us don't know why
I was standing, you were there
Two worlds collided and they could never ever tear us apart

I (Don't ask me), I was standing (What you know is true), you w
ere there (Worlds collided)
Two worlds collided (We're shining through) and they could neve
r tear us apart
You (Don't ask me), you were standing (What you know is true),
I was there (Worlds collided)
Two worlds collided (We're shining through) and they could neve
r tear us apart
I, I was standing, you were there, two worlds collided, and the
y could never, ever, tear us apart.
