

Your Surrender

Neon Trees

1. I got close to your skin
While you were sleeping
I taste the salt on your hands
I reached out to touch you
The morning light disarms you
Won't you let me in?

R: Oh-ooohh-oh-ohh
How long 'til your surrender?
Oh-ooohh-oh-ohh-ohh-oh
How long 'til your surrender?
It's a long way
For heartbreak
Let your heart wait and bleed
Oh-ohh-oh-ohh-oh-ohh-oh-ohh
How long 'til your surrender to me?

2. I've become your shadow
I'd love, but don't know how to
I'm always lost for words
You look like a thousand suns
I wanna be the only one
Left when your day is done...

R: Oh-ooohh-oh-ohh...

*: I can't have you close
So I become a ghost
And I watch you
I watch you...
Maybe if you stay
We could die this way
I won't stop you
I won't sto-op yo-ou...

R: Oh-ooohh-oh-ohh...

Oh-ooohh-oh-ohh

How long 'til your surrender?

Oh-ooohh-oh-ohh-ohh

How long 'til your surrender?

Ohh-oh-ooohh

How long 'til your surrender?

Oh-ohh-oh-ohh-oh-ohh-oh-oh-oh-oh

How long 'til your surrender?

It's a long way for heartbreak

Let your heart wait and bleed

Ohh-oh-ohh-oh-ohh-oh-oh-oh-oh

How long 'til your surrender to meeee?

Ye-ea-ea-ea-ea-eah (How long 'til your surrender)

To me-eh-eh-eh-eh-eh-eh-eh-eh-e (How long 'til your surrender?)

It's a long way for heartbreak
Let your heart wait and blee-eed
Ohh-oh-ohh-oh-ohh-oh-oh-oh-oh
How long 'til your surrender to me?
