

007 Is Also Gonna Die

Nephew

What is black and what is brown
What is field and what is town
What is silence what is shout
What is fear and what is doubt

Double-o-seven is also gonna die
Bond James Bond himself is bound to die
Double-o-seven is also gonna die
Bond James Bond himself is bound to die

What is less in less is more
What if god won't bless the whore
What if words like boy and girl
Did not rhyme with joy and whirl

Double-o-seven is also gonna die
Bond James Bond himself is bound to die
Double-o-seven is also gonna die
Bond James Bond himself is bound to die
