

## 100 Years

Nephew

Break through over the years  
Well keep on coming for your fears  
Hey crew - do you believe?  
Great shoes fra Kbenhavn  
And Copenhagen hear our frown  
Well show - you'll know us 4  
100 years - sig det igen  
Saints league, Cinnamon Sigh  
Just buy our record, then just die  
Who cares if you believe?  
Breakdance, dance on the break  
Og da isr hvis Gud er fake  
Well show - you'll know us 4  
100 years - sig det igen
