

## Carlsberg Nights

Nephew

Shaving off  
Shaving cream  
For a Carlsberg night  
For a whiskey fight  
Taxi dreams  
In foggy steams  
Anti compliments  
Anti making friends  
For a beating  
Its just taking place  
Carlsberg sleep  
Im whiskey weak  
Wanna go all the way  
And hurt my prey  
For a beating  
Its just taking place
