

## Circulating Slow

Nephew

I don't wanna believe what you have done  
Slip and slide in the way you have begun  
Eyelash up and down, in and out of bed  
Sense sensation keep pulling sucking over  
You - circulating slow  
Breathing slow  
Pray that I will not punish you tonight  
Pray that I will believe your execution  
Baseball teams keep running op my driveway  
Youll receive an award for doing it my way  
Stop making me flow  
You - circulating slow  
Breathing slow  
Tonight, hvis sengen vil  
Hvad skal der til?
