

## Downtown Europe

Nephew

Are you afraid?  
Are we too high for you?  
Articulate  
Is she too fast for you?  
Downtown Europe, tonight  
And when the stars burn out  
The lights will shine on - bright  
Those playground stars  
Those airport lights that gloom  
Downtown Europe tonight  
And when the stars burn out  
The lights will shine on - bright
