

Stay Inside

Nephew

I see now what's inside
I see now what's inside
I see now what is an overwhelming colour range
Inside it shines so bright
Youve painted everything
Youve painted everything
You have painted everything in black and red and green
Painted all my life
Let me stay inside of you
Stay and I said
Jeg ved prcis hvordan
Jeg ved prcis hvordan
Alting forholder sig med vodkaflasken i min hnd
Sk!l!
Let me stay inside of you
Stay and I said
