

# Disappointed

NeraNature

Carried away by the dream  
You went too far  
You sold your soul like you sell an old car  
The unavoidable was revealed  
With each veiled word you said  
With each slick move you made  
It's hard to believe but I can't wish you anything good  
I can't wish you anything at all

Visions and sound keep taking me back  
To the moments I liked  
To the moments you lied  
And again I realize  
What must be done  
I close my eyes  
I swear off my past  
And let a part of me die away ... again

I've never felt so disappointed...I'm disappointed
