

Someone

NeraNature

I've been doing some thinking
And I wish want a fresh start
Back me up
How dare you throw it back in my face
Why do you put me in this crappy mood
Well shouldn't punishment fit the crime
Back me up
I know you wouldn't trade with me for anything
Back me up
How long does it take
To take a deep breath?
I need you on my side
I need you to back me up
If only I had someone to look to beautiful for...
