

# Annalee

Nerf Herder

Wearing flash pants and her streetwalker shoes  
Walkin' downtown with a pocket full of blues  
She's the one you want so much  
She's the one you can, you can never touch

Here comes Annalee  
Annalee yeah, here comes Annalee

Standing on the corner you see her cuttin' a deal  
Windows rolled down you can't believe she's for real  
She's the one it ain't no joke  
She's got lips : lips just like Cherry Coke

Here comes Annalee  
Annalee yeah, here comes Annalee
