

Don't Hate Me (Because I'm Beautiful)

Nerf Herder

Don't hate me because I'm beautiful
Don't hate me because I'm the best
Don't hate me because I'm the champion
Just love me like all the rest do

Don't be jealous when you see me in my fancy clothes
Sexy leather pants straight from Milan
Don't be angry when I'm dancing with your girlfriend
Just be happy she touched me for one night

And when I come to your town
Rolling in my golden limosine
It's only me

Don't hate me because I'm beautiful
Don't hate me because I'm the best
Don't hate me because I'm the champion
Just love me like all the rest do
Love me
