

## Don't Hate Me (Because I'm Beautiful)

Nerf Herder

Don't hate me because I'm beautiful  
Don't hate me because I'm the best  
Don't hate me because I'm the champion  
Just love me like all the rest do

Don't be jealous when you see me in my fancy clothes  
Sexy leather pants straight from Milan  
Don't be angry when I'm dancing with your girlfriend  
Just be happy she touched me for one night

And when I come to your town  
Rolling in my golden limosine  
It's only me

Don't hate me because I'm beautiful  
Don't hate me because I'm the best  
Don't hate me because I'm the champion  
Just love me like all the rest do  
Love me
