

I Want To Take You Out For Ice Cream

Nerf Herder

I wanna take you out for ice cream
I wanna take you out for ice cream
I wanna take you out for ice cream
And show you a real good time

I wanna take you to the baseball game
I wanna take you to the baseball game
Buy you peanuts and crackerjacks
And show you a real good time

No I wont break into your apartment
Hit you on the head with a chair
Pull down my pants, take a dump on your rug
And wave my dick in the air, NO!

I wanna take you out for ice cream
I wanna take you out for ice cream
I wanna take you out for ice cream
And show you a real good time
