

New Wave Girl

Nerf Herder

Going back in time
To another world
Gonna find that place
Gonna find that girl

Don't want a hippie chick
Or a disco queen
Just want the girl
From a na-nineteen eighty three

I want a new wave girl
I want a new wave girl
Oh oh want a new wave girl,

Don't know what I'm gonna do
Without that girl from eighty two

Oh oh want a new wave girl,
Clove cigarettes,
Heaven seventeen,
Cool places tonight,
O.m.d.,

Now I don't want my MTV,
'cause the real world
I don't want to see,

I want a new wave girl,
I want a new wave girl,
Oh oh want a new wave girl,

I can't go on without her
God where's my Cindy Lauper?

Oh oh want a new wave girl, new wave girl
