

I don't know where I go wrong -  
Everything I do just takes so long.  
I don't know what's up with me  
I'm swinging from a branch of my family tree...  
So give me some of yours then, if you think it might get better  
If you're sure you've got the answer, you know I'm going to let  
you...

Oh, you know it, you're shining like the rainbow  
And the birds and bees all know your name  
I could be black, I could be blue, I could be anything for you  
If you'd just shine your color like the rainbow.

I don't want your sympathy -  
Just for you to worship me.  
I just want to be adored, every day of every year.  
So this is good, and this is bad, and I'm the only God you'll have...  
Oh, do you dare to disagree?  
So give me some of yours then, if you don't I'm gonna steal it  
.   
If you thought I was a good girl, you'd better not believe it.

Oh, you know it, you're shining like the rainbow  
And the birds and bees all know your name  
I could be black, I could be blue, I could be anything for you  
If you'd just shine your color like the rainbow.  
I could be pink, I could be blue, I will be everything for you  
If you'd just shine your color like the rainbow...

Oh..you'd make me burn for you boy, why should I burn?  
Why should I burn for you boy, why should I burn?  
I'm just a girl, I'm just a girl...  
I'm just a girl, I'm just a girl!

Oh, you know it, you're shining like the rainbow  
And the birds and bees all know your name  
I could be black, I could be blue, I could be anything for you  
If you'd just shine your color like the rainbow.  
I will be pink, I will be blue, I will be everything for you  
If you'd just shine your color like the rainbow...  
If you'd just shine your color like the rainbow...  
If you'd just shine your color like the rainbow...
