

## Satisfy

Nero

I can feel it tonight  
I know I'll catch your eye  
Touching you feels so right, let me come inside  
Just come with me tonight, take me for a ride  
Touching you feels so right, let me, let me satisfy  
Let me satisfy  
Let me, let me satisfy  
Let me...

I can feel it tonight  
I know I'll catch your eye  
Touching you feels so right, let me come inside  
Just come with me tonight, take me for a ride  
Touching you feels so right  
Let me, let me, let me, let me satisfy  
Let me satisfy  
Let me, let me satisfy  
Let me, let me satisfy
