

Hold On

NERVO

Give us, give us a chance
I just wanna hold on,
I just wanna hold on
Hold on
I just wanna hold on

Waiting for your love
Cause I can't break away
No I can't break this start
Fading from your touch
Why do I keep us safe
To your distant heart

Give us, give us a chance
I just wanna hold on,
I just wanna hold on
I just wanna hold on
I just wanna hold on
Hold on
Hold on
I just wanna hold on
I just wanna hold on
Just wanna, just wanna, just wanna
Hold on
Just wanna, just wanna, just wanna
Hold on
I just wanna hold on
