

# You're Gonna Love Again

NERVO

Take a chance on a broken heart  
'Cause we're starting again  
We gotta try even if it's hard  
Try and to understand

To find a rainbow in every storm  
You gotta believe, don't ever doubt  
That you do belong now  
'Cause it started with you and started with me

Hearts run right to the end  
And you're gonna love, you're gonna love again  
And you're gonna love  
You're gonna love again

You're gonna love, you're gonna love  
You're gonna love again  
You're gonna love, you're gonna love  
You're gonna love again

Everybody has their fears  
Everybody has their fight  
But don't you let it bring you down  
No, don't let it take your light

'Cause you can turn this night around  
Make it what you want it to be  
If you're listening to me now  
Set your inner spirit free

Hearts run right to the end  
People come home  
You don't need to be scared  
'Cause you're gonna love, you're gonna love again

You're gonna love, you're gonna love  
You're gonna love again  
You're gonna love, you're gonna love  
You're gonna love again

You're gonna love, you're gonna love  
You're gonna love again
