## **Time of Death**

Civil war, internal chaos The city is dominated People flee, people die Guilty and innocent In a place without opportunities In a place without hope We can only wait for death

Threatening reaction Threatening respect Cause an extremely keen sense of vengeance Time of death Time of death

Real life, real situation Critical mind, critical obliteration Real life, real situation Critical mind, critical oblietarion

Insanely disturbing reality Feeding a big freak show

Time of death Time of death Time of death Time of death Nervosa
