

# Break Drop Flow

Nesian Mystik

Chorus

You can feel it in ya feet / We got the streets shakin'  
/ If its up for grabs / Its mine for  
the takin' / Break, Drop, Flow, Movement  
We still vibin' on Hip Hop music..

(Sabre)

These days M.C's more like nursery  
Passion don't burn deep to the 3rd degree  
Street scholars school game like its bursary  
Hip hop the language used universally

(Oldwun)

We came to separate the real from the fake / you can't  
hide the truth like a Masquerade / sounds  
all the same with every song that's played /  
soul in the music lost like a castaway / DROP.....

(Junz)

Drop yo game, thinking that you hot when you not, We  
not the same, giving everything we got like monopoly,  
We gonna take out the block, you know it don't stop  
Till we start to rock...

(Sabre)

Yung Joc out selling Lupe  
Is like buying that liquor instead of food today  
Tomorrow your gone regret it  
And then wonder why?

Word on the street is the cultures going to die

Chorus

(Junz)

Yeah we aint playin we got a lot at stake,  
See time is money so we got no time to waste,  
We keep the movement while you stand in place,  
Given the chance homie I would say it to your face,  
Break...

(Sabre)

Stereotypes don't fit no box  
So we custom made our own hip hop  
They call this a movement cause they know it don't stop  
Rewind and take you back like pharcydes drop

(Oldwun)

Flows that be elegant like Art Nouveaux / Known across  
the Ocean like Jaque Cousteau / Internationally known  
on the microphone / Layed down the benchmark, we set it  
in stone..

(Junz)

We take the game and add our style,  
Series 3 like Nick Cannon in WILD"n"OUT  
He the Under class man and we're the  
FRESHMEN,  
polystatured flavours right here so listen...

(Oldwun)

We talkin' bout Hip Hop, notice the flow done changed /  
while the rest following trend, we  
switchin' lanes / we track originals like Novocain /  
simple and plain, wit skill to still dimple ya brain /  
Break..

(Junz)

Break it down low and bring it up again,

We bout to break out like an argument,  
We make you feel good like a compliment,  
You can't do what I do you're the opposite, DROP.....

(Sabre)

The ball never we're like Shaq in the lane  
Innovators of style, defenders of the game  
Even got dope boys thinking their dope boy!  
What happen to the magic bring back the boom bap.

(Oldwun)

Let me spoon feed these cats, a verse or three / give  
em a taste of Hip Hop & what it means to me / Show them  
when passion cuts deep, need surgery / Im De La wit a  
twist of Common Sense when I bleed
