

If It's Cool

Nesian Mystik

Verse

Feels good, it's been a long week / Payday, so good to see / Head to the mall, my headphones on, killing daylight to Raheem Devaughn / That's when I happen to see, a soul sista stepping to me/ Kinda ghetto but I don't mind, she got style so it's all right / Break that ice, she know me / A Hip-hop girl, who listen to Jay Z / And she digs that neo soul from Philly / Not ashamed to accentuate/ Baby girl, feeling that chain running around your waist / And if I may be so forward, could I give you a call?

Chorus

If it's cool with you / You know it's cool with me, girl you're so fine / Girl your so fresh, your steez, so nice to me, ya know, ya know / If it's cool with you / You know it's cool with me, girl you're so fine / Girl your so fresh, your steez, so nice to me, ya know, ya know

Verse

It's just a simple game of hide and seek I hit the scene you got me dipping in and of crowds / Familiar with your perfume girl, I love the way you smell / The way you roll your so, addicted to those sounds / I roll over to know you, you do that mo, see your wind and electrify, your smile could kill a man / Her secret weapons in her eyes, she be everywhere I be / Somehow it comes to no surprise, I know she close to me I'm getting them butterflys / Time after time she tries to hurt me / Wasting my money like my time, then desert me / But it's clear for me to see, you're a women and it's worth it / If we make it happen, Life living picture perfect / I take a look oh, no where did she go / She likes playing them games, It's all part of the show / So now watch her brake it out, girl do it without a doubt / If you do for me baby, I'm a hold down.

Repeat Chorus

Verse

I seen you round my way on a regular basis / We've made eye contact on several occasions / Brushed each others shoulders a time or two / You passed me by like the summertime, Im diggin' on you / Ya brown skin, brown eyes & them thick as thighs / The way you got your hair girl, Im diggin' your style / Thought maybe we could make time and learn each other / Go from strangers to partners or just part-time lovers/ I dunno your situation, I dunno if you can / I seen you wit your ladies, aint never seen no man/ So I'm a play my hand on assumptions I got / Hopefully you and I can do you know what / No need to rush it, we can take our time / All I wanna know girl what is on your mind / I wanna see you beside me, nah mean? / If its cool wit you then its cool wit me, come on

Repeat Chorus

Verse

She wanna shop with JB, that's my baby plus she keep me crush on that Gucci rush / She wanna act up whenever he aint around / When I'm in town like Brandy she just

wanna be down/ Heartbreaker wit beautiful Brown skin
true and she loves it when I call her boo / The type of
girl who not afraid to share things and I don't wanna
stop till she's wearing my ring, yeah you make me wanna
sing
Holla if you want to, I want you, girl I want you
And I'm her man but she got to go / I'll be right here
at the end and she got to know / Yeah you know she
loves J its true / Cause nobody can do what JB do
Repeat Chorus
