

Magazine Dreams

Nesian Mystik

Chorus

Magazine to bright lights

It's game on

Showtime

On stage to night life

Focus my way

(Sabre)

While others carry a burden, I dust off these shoulders

Enjoying the present gift of the moment

To hold with no time for doubt

Stole my thunder before but my time is now

Its game on....curtain call for destiny

Ain't leaving til you bring out the best in me

Conscious to not get blinded by the lights

Seen it all before, ain't at all a pretty sight

Everybody trying to shine brighter then the next man

Watch personalities morphing like their x-men

Its when the real pressures on that we thrive

Raised on hip hop its either sink or try

From centre stage or front page its all the same

Maintain the presence....heartfelt all the way

Because when you love what you do & say how you feel

Some how...some way real recognise real

Chorus

(Awa)

Navigate the scene

Like a Porsche handles the street

Draw the paparazzi

Like sharks to the feed

Disregard the hate

Don't worry about what people say

I believe in me

If it's alright

I'll indulge a little

Selecta one time

For the royalties

I gotta get mine

Cause they don't look twice

(I gotsta have it)

And the women are fine

So I gotta look nice, but that's

(Automatic)

Chorus

(Oldwun)

I indulge in the moment, my time is now / I step back

for a minute to realise how / A regular kid, from a

regular hood / can go from regular things, to doin

better than good / Im talking Lights, Cameras, Action /

Glitz, Glamour, Reaction, Red Carpet treatment, 5 Star

satisfaction / You cant imagine the things that I've

seen, the places I've been, a witness to a Magazine

Dream

(Junz)

Us, Yeah we take it as it come's,

Search to reach the top like the raising sun, But like

so,

What goes up must come down,

Divide life from dreams to stay grounded now,
I wasn't always on the bright side, Bright from street
lights,
Despite the street life I changed,
We on a better road to better things,
Who knows what better brings, My heart and soul
together sing, Let's go.....
Bridge
Real recognize Real, hustle on the sell,
Corner type retail street kinda smart,
Where the brothers stay sharp on the details.
