[Intro:]

It's Nesian baby

That's right

[Chorus: Awa]

We can make it happen  
For tonight  
We can make it happen  
If you like

[Verse 1: Sabre]

Don't mind me slip in on the low key  
And unlock dreams like I'm martin Luther king  
Reserve my time only for the real  
No trill Rick ross sorry but I'm the boss  
Make it happen overnight so complain to Revlon  
Bullet point my rhymes no need for Teflon  
Word association memories plus good times  
Fresh boyz Nesian yeah we set the mood dam right  
Kind of crunk but still the beats bang  
VIP yet still it's a hood thang  
DJ Notiq hold it down on the 1 and 2's  
So yes got requests I'll see what I can do  
S A B can't leave the mic alone  
If you want it to happen hold up I got just the song

[Chorus]

[Verse 2: Oldwun]

I'm a take that, rewind it back  
Make that Magic happen like I'm Penny in his throwback  
Zo & Tiggalo on that soul track/ sippin on that Cognac  
Got the club snappin like it's Kodak  
Hocus Pocus now my focus changed  
Now I'm all up in the spot tryna know her name  
Let her know that I'm callin the plays, cause she know that her boy got Game  
"What's up lady, where are you stayin? "  
Get the bar to keep flowin Petrone, girl handling Shot's like she Al Capone  
Next thing ya know we pullin upto her home,  
I know she hungry cause she bite the pillow  
Pull out her phone for that x-rated replay  
She wanna be America's next Kim K

[Chorus]

[Bridge x2: Awa]

Tell me what you want  
I'll be your sugar daddy  
Supply  
Provide  
Anything that you like  
You have me

[Verse 3: Junz]

So have you gotta  
Minute to talk, a minute to walk  
Cause I ain't playing no games, yo I'm in it for sure  
Give me your name and your number, baby I will call you  
Let you bring your crew to the rendezvous  
It's all good, where the boyz so hood in the city

Where the girls looking pretty, Let you know do-a-didi Oo  
Say you wanna roll like PN whoa, baby we can go,
