

Hook

All I hear is what you say, hear is what you say  
Ill be on my way,

Chorus

Mr Mister can't you see  
Sometimes the world just takes a hold of me  
Forces my dreams to lead the way  
Cause all I see is what you say  
But keep your words until they walk my way  
(Awa)

Why things gotta be the way they are  
Even though you know the outcome  
You close your eyes (You close your eyes)  
Believe them lies (Believe them lies)  
A generation's hope  
Well it starts with you and I  
(Che Fu)

They big brother's got my whole street on lock  
He's no relation so I pull out the stops  
Gotta get my loop on  
Like a revolution

Its so confusing but I still have to try  
Sometimes you make me wonder why  
Why the news gone be about

More war

More death

More poverty

Sometimes you make me wonder why  
(Awa)

Why the truth just can't be found  
Or why the love don't seem to be  
around

Chorus

(Kimbra)

Whys it easier to hide behind?  
Lets go back to what is really on our minds  
We need to run, united as one  
And then the love around might just be found  
(Sabre)

Excuse me mr Babylon

You seem to have forgotten one

Seemingly Insignificant fact  
while you're pondering

While you argue who said what, another life goes  
missing

The truth is that we know why  
Witness it in our own lives

Michael said it best it's the man in the mirror inside  
Who holds the power to create change and break chains!  
Yesterdays gone let's start today

(Kimbra)

Sometimes I don't know where to start  
Ohh, it seems I cant do enough we need  
More time, more signs

(Awa)

Lets do something worthwhile  
(Kimbra)

Im on my way, Ive got something to say  
What we need is more love more trust  
That the difference starts with us.  
(Cydel)  
Mr Mr cant you see  
Sometimes the world just takes a hold of me (a hold of  
me)  
Forces my dreams to lead the way  
Cause all I hear is what you say  
But keep your words until they walk my way  
Chorus
