Chorus
N.Z.H.I.P.H.O.P
Graft b-boys, DJ's and MC's
Represent to the fullest only the strongest can survive
Aotearoa commence to penetrate
Worldwide
Verse
You're looking strange at me
Because no one has told ya
That us polynesians be keeping it undercover
Self profile, we are coconuts from the city
Change songs to hits
You ready for this
You spend your life being a lyrical theive
Initialise realise with verbal artillery
With systematicly flows that control the shows
Fresh dialects with this technique unknown
With this semi automic machine gat
With endless melodic ammunition
Yo assume the position
As you reach for the skies, wave hands side to side
New Zealand hiphop with the hint of Nesian Style
Represent your side coz everybody knows its a must
This Nesian style mooli is the style we bust
As we lay this track to ashes like dust to dust
Unique style is untouched
Chorus
Verse
Microphone checker
Attention here's an announcement
If you ain't down with NZ hiphop you better bounce
This is the final boarding call Aotearoa bout to take
off
This ain't Con Air like Nicolas Cage so take your face
off
I call for quality control but we're not 5 from

jurrassic
 The aftermath has passed with emcees who stand fast
 Can you last the last mile of madness
 As we drop bombs over wack kats
 Obscure delligence of raw venemous deliverance
 Analysist and lycrisist take refudge and just listen in
 Death by own admission ain't accountable for those who
 listen
 Or those who can envision the picture that I spit for
 all
 BBoys, Turntablists, Emcees, Beatboxers, and Aerosol

 Verse
 A coat of armour built upon MC is what I adorn
 Entrenched in the defence of hiphop's modern war of dot
 com
 Verbal canters and hollow throat venom spit'n' mc's
 Striking like phantom menace in the dungeon of no
 release
 Ignorant provokers of imitators and mimickers
 Just sparking drama scattering negative images in my
 villajahs
 As an MC my passion burns deep
 In comparison your flame flickers or merely melts from
 my heat
 All the real heads keeping them true links roots down
 Stabilise orators remain on level ground
 My verbal stance echo's no others cause I create
 composition
 Relevant to the south pacific edition
 To many MC's with the battle mic complex
 This is where I drop sciences
 on how hiphop is more than hollow threats
 Spirits of good intention emanate through dark
 enclosure
 We manoeuvre to revolt against industry taking over
 Chorus

 Penetrating to the mind, devastating to the ear 2x
