

## Soul Release

Nesian Mystik

Oh yes yes yes  
Gonna sing you a slow jam  
It be a little something different to the regular  
program  
Close your eyes, take a seat, this is why  
It be simple kind of tune, taking you back to the jams  
to the old school  
With a raw soul release, where balance is acheived  
Rugged flow steps beneath the tones, searching for the  
key  
Be driven in this, oh groove expedition  
Its a slow jam, oh yes indeed a slow jam, alleviating  
your mission  
So, hum along and click your fingers, tap your feet,  
nod your head  
Clap to the beat  
Going out to the brothers and sisters, on a soul  
retreat  
Oh yeah yeah  
So invision yourself, chilling by the fire, oh jamming  
away  
In a place where you feel right, carefree, invisible to  
life  
No stress, no sight of worries, oblivious to time  
Chorus  
Oh tell me do you like our Nesian Style?  
The way it makes you move?  
Does it ease your mind?  
And do you feel alright?  
Tell me do you like our hori ways, oh its on for days  
Oh does it take you away, oh to a better place  
Tell me do you like our way (ohh) Would you like to  
stay (tell me)  
Would you listen to a slow jam (ohh) are you getting  
with the program  
Tell me do you like our hori ways, oh its on for days  
Oh can you take me away, oh to a better place....  
Tell me...
